Bernstorff Seeks Lansing; Hopes Frank Discussion Will End Arabic Crisis

ATTITUDE OF UNITED STATES CAUSES UNEASINESS IN BERLIN

Berlin, Sept. 12 .- Publication of the Arabic note, although evoking virtually no comment in the German press, indubitably has caused a feeling of uneasiness here over the probable attitude of the United States. The note in itself appears to be highly satisfactory to the public generally, but the constant inquiries received at the offices of The Associated Press for news or predictions on the American attitude are only one of the indications of the apprehension that the Arabic note and the Hesperian case may result in a renewal of the tension which was believed to have relaxed with Ambassador von Bernstorff's communication to Washington of the instructions given to submarine com-
